PNC USER GROUP MEETING
Evolving Care, Together

Meeting Agenda

The annual user group meeting offers a unique opportunity for current customers of Point and Click Solutions to learn from each other and to connect directly with PNC application specialists and leadership. The event will run from 8am - 5pm on Monday and Tuesday, June 23-24, at the Park MGM Las Vegas. Breakfast and lunch on both days, and dinner on Monday, are included in the cost of registration. Join us and your peers for this immersive experience and learn how to get the most out of your PNC software.

By attending, you will:
- Meet and network with your peers at other schools and with the PNC onsite team.
- Learn detailed information on the changes to Point and Click software in the past year, and gain insight into the roadmap for the coming year.
- Discover tips and tricks you can use and share with the rest of your colleagues at home.

Selected Topics
Agenda topics, session titles and content are subject to change based upon interest.
A detailed schedule will be available closer to the event.
